

Know your score!

Coronary Calcium Scoring is now available in the mountains.

Heart disease is the leading cause of death in the United States in both men and women, accounting for nearly 25 percent of all deaths each year. Knowing your coronary calcium score may save your life.

St. Anthony Summit Medical Center's new CT-Scanner identifies the amount of build up in your arteries.

Self Pay: \$99 scan, \$68 read fee or \$167

Contact your primary care physician or **Summit Cardiology (970-668-9772)** to know if this scan is right for you.

To schedule your coronary calcium scoring today, please call **970-668-9595**.
