FRIDAY OCTOBER 21

TROY WALKER

Walker, a Colorado native, began performing in Denver open mics a mere five years ago. In that time, he has become a ubiquitous performer in the Mile High City. Methodically scratching and clawing his way up from absolutely horrible dive bars to the best stages the city has to offer, all while never losing his charming awkwardness and incredible likeability. This is a comic you don't want to miss on his way to the top. You will one day be able to say, "I saw that guy at before he was famous!"

CHRIS VOTH

Chris Voth appeared on "Last Comic Standing 2" and on Comedy Central and is a past winner of the Miller Lite Comedy Competition of Denver. He has been called "a name to watch" and "a very funny guy" by the Rocky Mountain News. Voth performed for two years in a clean comedy improv troupe, doing nearly 200 shows across the country. Chris has worked with some of the biggest names in comedy, including Dave Chappelle, Dana Carvey, and Wayne Brady - to name a few.
