

# RAM LEGACY IN ACTION

Thursday, June 6

Breckenridge Grand Vacations (BGV) has honored late owner/developer, Rob Millisor, through BGV Gives' annual Heart Health Walk for almost a decade. In that time, we provided more than \$1.3M for heart health initiatives and programs at the heart of the Summit County community. From saving lives through newly installed AEDs to promoting nutrition and physical activity in low-income youth, the impact is tremendous, and we know Rob would be proud.

This year we are changing our approach to celebrating Rob's memory with a new volunteer-based event, Rob A. Millisor (RAM) Legacy in Action. The event will engage BGV employees, family members, and sponsors to highlight our commitment to giving back in much the same way Rob did. The change is rooted in a desire to keep Rob's legacy vibrant and meaningful in our community.
